The following scores are your Magistrale theory exam marks (i.e. they do not include your practical exam part) **unless** your score is followed by a **star** ('\*'). In that case, the starred score means that you did not pass the theory part but you still got a mark which, when combined with your practical mark, resulted in an **overall** average of 18 or above.

You have the option of 'accepting' this final (starred) mark or 'rejecting' it. In the latter case, you will have to resit the theory exam. As the 2016-17 syllabi are now no longer valid, you will have to sit the exams based on the new (i.e. 2017-18) syllabi (NB. In the second Year 2017-18, the lecturer is Prof. Lovascio).
